

# NOTICE OF PUBLIC MEETING

## Clyde Forks Road Bridge DETAIL DESIGN AND CLASS ENVIRONMENTAL ASSESSMENT STUDY

### PROJECT OVERVIEW

The Township of Lanark Highlands is undertaking a Municipal Class Environmental Assessment for the review of alternatives for reconstruction of the Clyde Forks Road Bridge, which crosses the Clyde River at Clyde Forks.

The options review is a priority for the Township due to the bridge's age and condition, and the posted weight restriction. As part of the Environmental Assessment process, options for bridge reconstruction, including the option for temporary full closure of Clyde Forks Road during construction, have been reviewed to determine the preferred solution.

### MEETING DETAILS

A Public Open House will be held to provide further information about the proposed works and answer any questions.

**Date:** Thursday, July 28, 2022

**Time:** 4:00 pm – 6:00 pm

**Location:** Royal Canadian Legion Branch 395

**Address:** 69 George St, Lanark, ON K0G 1K0

### CONTACTS

For more information or to provide comments in advance of the meeting, please contact one of the Project Team Members, listed below.
